JUDY OMEL---------- BOOSTER FOR BOWLING

Judy Omel, secretary of Hadassah League.

The Hadassah Ladies Bowling League was organized in the fall of 1954. The girls express their sincere thanks to Judy Omel, who helped so much to organize the league and who is doing such a fine job at handicapping. The mother of two children, Judy still finds time for bowling and participates in the fine art of painting.

Grace Cummings of Kenmore Lanes also helped in getting the girls started. They originally had 6 teams, and have since increased to 8.

The top averages in the league are as follows:

Min Nathan	142
Helen Cohen	126
Annette Carp	125
Ina Lipsitz	129
Ida Gross	121
Edith Burstein	121
Gerry Yost	125
Judy Omel	120
Sadie Brigger	114
Harriet Seeman	110

(story contributed by Ida Gross)

Buffalo Bowler will be pleased to acknowledge similar unsolicited items of interest pertaining to an individual bowler who deserves mention for his or her efforts in promoting the ten-pin sport.

MEET JACK ZACK

Jack Zack, the little man of the Simon Pures, has been going in high gear for the past several weeks, with three 700 sets. Jack is now ahead of Joe Di Figlia in the 700 department. On Feb. 13 at Roc Mar, he rolled 180-289-231 for a total of 700; on Feb. 21 at Southside he had 241-226-256--723 and his latest total was 722 on games of 232-267-223.

Jack now has the high 3 game total of 723 in the Southside Classic and high single of 289 in the Cheektowaga Sunday Traveling league.. . . Congratulations Jack, for your excellent performance.

A GREAT LOSS TO BOWLING

RICHARD J. HERDLEIN

Dick Herdlein, who recently passed away, will be sadly missed by the bowling fraternity. He was a past president of the Buffalo Bowling Association in 1952-53, and was chairman of the Knights of Columbus Bowling, as well as eastern representative of the National K of C Bowling program.

Classic League Highlights by "Pop" Meisler

The Simon Pures won the 5-man benefit match from the King Louie team by 102 pins on Feb. 12th at Saint John the Baptist Church in Tonawanda, N.Y.

	Simon Pure	King Louie
1st Game	883	839
2nd Game	954	923
3rd Game	947	920
Total	2784	2682

V. Herrmann had high individual 3 games with 608 and high single with 214. J. Van Son was second with 592 and 207.

The bowlers who participated in the match and the spectators, were honored in having Monsignor Klauder observe the entire match. Many of those who attended made an inspection of this fine new parish hall and were impressed with the latest facilities provided for indoor sports, such as the 6 new alleys, basket ball court, etc. Surely much credit must go to the honorable Monsignor Klauder for promoting this vast undertaking, therefore we too should assist whenever the occasion rises.

. . . . . .

7-10 splits: Can they be converted? On Feb. 16 at the Air Port Bowling Center, John (Peinkofer) Di Floria demonstrates that this can be done, when he converted the 7-10 split on alley No. 20 during league competition. This must be a habit with 'Johnny Dee', as we now learn that he converted the same split on Jan. 18 in Chicago while bowling in the B.P.A.A. National singles elimination tournament. It must also be an art to have the know how to obtain the 7-10 splits as was illustrated by Marty Stubel of Englewood Cleaners. On Feb. 17 at Amherst Bowling Center, he obtained three in a row, while bowling the third game in league competition with the Gallery's in the Amherst Classic League. Could this be a record? Sorry that Marty could not convert one in three tries.

. . . . . .

300 game: On Feb. 18, at the Connecticut Recreation Bowling Hall, Edward (Keems) Ervolina got his perfect game on alleys 5 and 6, while bowling a local match. Trailing by 64 pins going to the last game, his 300 game won the match for Ervolina. Surely a strong finish. Still awaiting the perfect game by our Classic and Major league bowlers in league competition.

. . . . . .

On Feb. 21, Eddie (Simons) Adams made the 8-10 split by a perfect billiard shot, sliding the 8 pin over to the 10 pin on alley 1, at the Southside. This is a rare performance in making the split in this manner. Bob (Shetler) Infantino has the distinction of converting two 6-7 splits in succession on alleys 23 and 24 at the Amherst Classic on Feb. 24. That too is quite a feat. Nice work Bob!

. . . . . .

The results of our Classic league bowlers at the Petersen singles tournament at Chicago on Feb. 19 and 20th are as follows:

A. (Genesee) Lewandowski	1511
E. (Simons) Adams	1465
B. (Genesee) Kwapicz	1457

For the present these scores still hold for some of the awards. Here's hoping!

. . . . . .

Fifteen of the top bowling teams in this vicinity traveled to Rochester, N.Y. on Feb. 19-20, to try their skill in the 7th Annual Bowlers Memorial Scratch Team Tournament held at Genesee Bowling Hall. It was gratifying to see so many of our Buffalo rooters at Rochester to encourage our teams in this event. We can be justly proud of the local teams as they came through in flying colors taking 5 positions in the regular team events and 3 positions in the special awards:

On Feb. 23, at the Air Port Alleys, Steve (Simons) Czerwinski of the Major league hit the pins for 684 with games of 227, 245, and 212. Another 700 set in the making had it not been for a split in the third and fourth frame of the 3rd game. Nice bowling Steve!

. . . . . .

The Major League at the Air Port Alleys is getting to be a close race. The Simon Pures are leading by only 4 points with the Peinkofers and the Furniture Marts tied for second position. With 11 more weeks to go anything can happen.

The high spots are:

The Crystal Bowling Alleys at Niagara Falls was a place of much goings on Feb. 19, during the 10th Annual Mixed Doubles tournament. Music and buffet lunch was provided free of charge. Always a good time at the Crystal. Earl Cosara and his partner won first position in the tourney. Congratulations to both. Earl is one of our top young bowlers at the Falls and no doubt we will hear much of him in the future.

On Feb. 27, the Lockport Felts hit the pins on alleys 3 & 4 at the Bowl Inn, for a 1145 single, while bowling in the Cheektowaga Sunday Traveling Classic League: Bob Clerc 245, T. Harnisch 195, H. Baes 259, A. Brandt 236 and W. Summers 210. This is the seasons high team game in the Classic leagues, also the all time high single team game at the Bowl Inn. Fine bowling boys!

. . . . . .

COMING EVENTS

Our classic league bowlers on the march again, when they go to Louisville in the blue grass state. They will participate in the BPAA National doubles tournament on April 16 and 17, namely:
B. (Peinkofer) Holtz
V. (Simons) Herrmann
J. (Peinkofer) Di Floria
G. (King Louie) McMahon
J. (King Louie) Back
J. (Lockport) Schroeder
L. (Peinkofer) Villani
E. (Falls) Cosaro

We can look for good results and may have the next doubles champion from this area. Good luck boys!

A cavalcade of top bowlers from this area will soon entrain for Fort Wayne, Ind. and Elmira, N.Y. to take their spot in the ABC and N.Y. State tournaments. We can look for them to represent this area in great style as they are always a threat for top honors with the best in the country. Perhaps this will be our year. Extend our best wishes. Listed below are the dates which may be of interest to the bowlers of Buffalo and the Niagara Frontier.

LETTER TO THE EDITOR

Dear Editor:

Can any league in the Buffalo Bowling Association either classic or otherwise top these season's high scores rolled by the Kensington Businessmens League at the Kensington Bowling Academy.

High single-Jim Haberman--299
High 3 games-Don Roll-741
High team sing.-Edwuardos-1156
High team 3-Eduardos-3123

Surely this is a remarkable record and deserves some sort of recognition.

Thanks,
E. Detlef
Secy.

Editors Note: Thank you Mr. Detlef. These are truly remarkable scores & Buffalo Bowler is very proud to publish them.
